# The Mayors Minute or two..

Here's hoping you are all well, maybe bored because of the Virus, but well. As much as I would Love to have it all go away, we all know that's not possible in the near future or perhaps not so near future I know how tempting it is to throw caution to the wind and go back to business as usual it is foolish to do so. We live in an area that hasn't been hit hard yet. As of today, Umatilla County has recorded 16 people affected, but without testing on a large scale we truly don't know how many have been really been exposed.

You still have to practice safety issue and continue to hope it misses us, but that isn't likely. It's a long road to get back to our normal lives.

Community Days is still up in the air which had been rescheduled for late July. That may not happen, but we know it will next year if possible. There will be more to follow.

Social distancing has now become a fact of life. Please help take care of you elderly especially, but it is hitting all age groups. Its not something you want to take a chance on. Hunker down and stay put whenever possible and fine a good pattern for making face masks. The fire Board budget committee is meeting on May 11, @ 7pm in council chambers, trying to plan for the next year. Keep our EMT's and fire fighters in your prayers as well as our police department.

Do take care and stay put. We will get through this and we will keep you posted as to what is happening within our domain. We all want the best for this community. But we need to be smart about it and listen to the experts in the field.

Virginia Carnes,  
Mayor
