The Mayors Minute or two..

To all of you living the good life, congrats!! However, I think that some of us are looking out our windows and wondering when all of this will be over. My thoughts on that include just keep the faith, Spring is coming flowers will be blooming, babies will be born, and all life renews. We need to do that also. Be prepared to kick out the old thoughts and actions and get on with a breath of Spring, and summer close behind.

I am so delighted that school is back in session and I would guess that every child is also delighted as well as the parent's ore caregivers. I know what a struggle this must have been over such a long period of time! I think we are very lucky to be back now. Enjoy every minute.

I'm still waiting for a good snowstorm. It's not too late.

Just a side note, I am very much in touch with City Hall and all City matters. If you have any questions I can answer, please call my cell @ 541-969-6033. If I don't know the answer, I will find out. Please do not speculate, all that does is cause confusion and you've all played telephone in school statement starts with one person and by the time it goes by 20 people it isn't even remotely true, or close to what was originally said!

Have a wonderful couple of weeks. Good news to report, my feet are on the ground, not walking yet but moving :O) Progress!!

P.S. I am looking for someone to help with in home health care, Please Leave a resume at City Hall with the following information:

Name:

Experience:

Salary expected:
