ECONOMIC DEVELOPMENT TEAM

The City of Pilot Rock is working with Eastern Oregon Business Source to assist the City in achieving economic development goals. We are opening the doors for economic development and to build relationships/partnerships that help create and retain jobs in our community. New jobs are the lifeblood of any thriving region and can ensure economic health and prosperity for years to come. Job creation & retention in a community produces a ripple effect that can have a positive profound impact on every aspect of community life. This team focuses primarily on these areas. One of the goals is marketing & selling the industrial property near the Lagoon project. We are looking for professionals, business owners & volunteers to join the team for improving the economic well-being of our community to develop goals that are unique to the City of Pilot Rock. There will be 2 meetings monthly beginning in June. If you are interested, please contact City Recorder at City Hall or email to teri.bacus@cityofpilotrock.org.

The Mayors Minute or two..

It is nice to see the sun and the many signs of Spring. I would like to extend a special thank you to all who contributed with money and candy to the Easter Egg hunt, also thank you to Heather and all her helpers. The Chamber is also to be thanked as well as Sheila Buckley as she just completed her 10 years as the Easter Bunny. You all made it special for our children and we are grateful!!

It is hard to believe but I am finally coming home on Wednesday the 14th, still not able to walk after 119 days of confinement. I will teach myself how to walk again, with some help from some CNA's. If you have question about my stay, please feel free to call me @ 541-443-5832 or 541-969-6033.

Each event in your life is a learning experience and boy am I educated! I did not know what I did not know:O)

Have a good couple of weeks and enjoy the sunshine, I plan to!

Greetings Gardeners!

There has been interest in starting up the community garden at the corner of Main and Elm. All of the original raised bed boxes and t-stakes have been removed so the lot is ready to be tilled and leveled. We have a volunteer to plumb waterlines throughout the lot, which will be very helpful for everyone! What is needed now are folks to rototill, (or bring in a small tractor-tiller) to prep the surface of the soil. Also, the fencing needs to be secured on the fence-posts. Essentially, the garden is ready for a makeover and now is a great time for renewal!

If you and your neighbors, church or school are interested in community gardening in Pilot Rock, please call me at 541-240-1195. We will need to find each other and meet soon to get started! See you in the garden!
