The Mayors Minute or two..

2022! Wow!! It's hard to believe that another year has come and gone with so much pain and sadness for those we hold dear and lost, and for the gratitude for those who are still with us. I have so much to be grateful for Bec, Heather, Samantha, Chris, Rainie, and so many more. The daily care means so much when you are confined. If you've never been there, you've ever experienced the frustration involved, but enough of that. I am so hopeful that Covid is taking its last shot at us, and everything is on the upswing. We've paid our penance.

Christmas is always a season of hope, and we as a community are hopeful. As Packy said @ Christmas mass "Let's get something going!!" I'm in full agreement! We must have activities to look forward to! For the next couple of months, I'm going to be throwing out all kinds of ideas just to see what catches the eye and sticks, and you can't do that without hope!

Another word besides "Hope" is "Kindness". We have a young woman in town who I had as a former student. All I can say is to please be kind to her. She has issues that are so noticeable, she called me Christmas Eve when the ambulance made a check to see if I was OK. I suspect she was in an abandoned car or under the bridge. She just needed to reach out on Christmas Eve. So, the words of gratitude for all we have and kindness to all who cross our paths will make 2022 a much better world to live in!

Happy New Year!!

Virginia Carnes,
Mayor
