

The Chamber of Commerce encourages businesses and community prosperity by promoting economic programs designed to strengthen and enhance the financial opportunities for all businesses within Pilot Rock.

We serve as an effective non-partisan, non-sectarian voice for business on legislative, business, social, governmental and community issues affecting our area. We also identify and overcome obstacles that are detrimental to the business climate and community growth.

Our goal is to support civic, social and cultural programs designed to increase the function and aesthetic values of the community.

We support, help organize and promote tourism, festivals, and other events in the community.
