**The police department regrets to inform the community that the annual National Night Out scheduled for August 4<sup>th</sup>, 2020 has been canceled due to the continuing spread of the Coronavirus. We hope to see you next year on August 3<sup>rd</sup>, 2021.**

## CITY OF PILOT ROCK

**The following topics were discussed at the  
July 7, 2020 Council meeting:**

1. Lagoon Update
2. City Property Sale for Shooting Range

**The next Council meeting will be  
July 21, 2020.**

**The following will be considered:**

1. South Alder Paving Project
2. Douglas, SE 4<sup>th</sup> & SE Elm Paving Project

## Burn Pile

**Due to the fact that people have been dumping plastic and cardboard up at the burn pile, you will have to come to City Hall and sign out a key, You can thank those who did not follow the rules!!**

Hello ROCKET NATION.....

I hope everyone is enjoying their summer break. I am looking forward to the upcoming school year and excited to be a part of the ROCKET community!!!!!!

The district has been working hard over the summer on our reopening plan, focusing on the following:

- Safety and health of all students and staff
- "SEL" Social and Emotional Learning
- Academic rigor and accountability
- On campus learning
- Enhancement of online curriculum/instruction

Please visit Pilot Rock School District's new web page at [pilotrock.k12.or.us](http://pilotrock.k12.or.us) or download our app available for android and apple users. Reopening information will be updated via app and website throughout the remainder of summer.

As I think about PILOT ROCK SCHOOL DISTRICT.....

I believe that it is and will be a place of excellence and character. Where a growth mindset allows us to understand the importance of developing lifelong learners and responsible citizens through hard work, good citizenship, and mutual cooperation through school and home.

GO ROCKETS!!!!!!!

Troy Jerome

# The Mayors Minute or two..

Just checking in to see if you are as ready as I am to get back to "normal" whatever that may be? It seems like we may never get there as a whole new lifestyle is developing each day forward, so we just keep tying knots and hanging on. The count for Covid-19 cases as of July 15<sup>th</sup> is 1,115 confirmed here in Umatilla County, so it all around us, just do your part by masking up and following the protocol established by the medical field. For those who don't as yet have face masks they are available @ City Hall. Masks have been provided by Umatilla County Emergency Management. Another point is to stay connected with neighbors and family, Isolation can lead to depression and we need to be aware for outreach.

Another big thank you goes out to Teresa Goad and all of her efforts delivering Meals on Wheels, this service has nothing to do with income but mobility and being able to shop for yourself. Call Robin @ 541-276-1926 for more info. If you are interested in helping to provide for support, donations can be made to the PR Chamber of Commerce, a separate account is set up there to help support mileage expenses. There is no salary connected with this. Teresa has lots of volunteer hours and she does it all with a smile.

I want to wish Mayanna Kopp a very big 90<sup>th</sup> birthday, no parties due to the virus but lots of good wishes for many years to come, and she was born right here in PR!

Another Birthday wish goes out to Teri Bacus our City Recorder on July 21<sup>st</sup>, she has been a wonderful addition to our community.

Do have a great couple of weeks and know that the quality of your life is mainly up to you – your control bubble :O) We need to do the best we have to work with.

**Virginia Carnes,  
Mayor**

## Leak Impact Chart

Are water leaks costing you money?

The following chart shows the amount of water that can be lost (and billed to your account) for various size leaks.

 A dripping leak consumes: 15 gal. per day 450 gal. per month	 A 1/8 in. leak consumes: 3,806 gal. per day 114,200 gal. per month
 A 1/32 in. leak consumes: 264 gal. per day	 A 1/4 in. leak consumes: 15,226 gal. per day 456,800 gal. per month
 A 1/16 in. leak consumes: 943 gal. per day 28,300 gal. per month	 A 1/2 in. leak consumes: 60,900 gal. per day 1,827,000 gal. per month

**Here in Pilot Rock we get 11,250 gallons  
a month for the flat rate.**
