The Mayors Minute or two..

With so many things being canceled, postponed or deleted, it's becoming more difficult to find something to write about. :O)

I am so pleased to see that progress is being made on what was formally Archie's. That is something to celebrate and my thanks goes out to Lance Saling. Just having a new gathering place is exciting! The Vault Tavern will be opening in about a month and will only be serving beer at first but just to have Lance and his new business on Main Street is a very good thing, Lance is building his business a little at a time and hopefully we can look forward to a menu in the near future and he certainly sounds like a young man with a plan and being cautious on how fast to roll things out and we can all appreciate his good common sense :O) Lance expects to open The Vault in about a month, so that will be something new to support and look forward to. Watch the opening in different sections as the time is right. Stop by and visit with Lance and welcome him.

I did venture out one-time last week for a hair cut and another for a council meeting. I hadn't had a cut or color for almost 5 months and was it time!

Lil Bit is as bored as I am, he barks at me and I growl back, now that is bored!

Best wishes and prayers go out to Mike Baleztena and our prayers for a complete recovery, He's done a lot for this community from City Council to many years of coaching. We want to see him back on his feet very soon. Prayers for you, Michael!

Do have a great couple of weeks and be patient, we will get through all of this together.

Virginia Carnes,
Mayor
