#### PILOT ROCK ELECTIONS 2020

On November 3, Pilot Rock residents will be tasked with electing three Council seats that are expiring December 31, 2020. The term for City Council is 4 years and they are staggered so that the entire Council does not expire at the same time. As it is very difficult to find citizens willing and able to devote the time and effort required, we are always hopeful that existing Councilors will run for re-election. However, fresh faces with fresh ideas are always encouraged. If you have been contemplating running for a seat on the Pilot Rock City Council, please consider the following:

To qualify as a candidate, you must be:

- ♦ A resident of the City of Pilot Rock who has resided continuously in the City during the 12 months immediately preceding the election they are filing for
- ♦ A resident of the City of Pilot Rock when elected and assuming office for which elected
- ♦ A candidate may not be an employee of the City of Pilot Rock
- ♦ Candidates may only run for one seat at the same election

Election information packets and filing forms will be available in City Hall and on the City website in April.

## ONLY 48 DAYS

# The Mayors Minute or two..

Spring seems to be getting closer, and some flowers are poking their heads out, too early probably.

I have an apology for Rick and Debra Aster, I mis-understood the plan for the market! My mistake, they hope to sell the property and lease / rent back the grocery store and continue to keep it functional. We need to keep this store and support what we have, or we will lose it. My apologies for the misunderstanding. As I have mentioned before, I have a sign which reads "No one knows what I do, until I don't do it. Perhaps this can be changed around to read "No one know what it's like not to have a grocery store, until you don't have One" Think about it.

Have a good couple of weeks. I'm hoping February is better this year than last.

Virginia Carnes,  
Mayor

Rocket Boosters would like to say thank you to all our wonderful supporters who donated items, brought a soup, chili, or both, and to those who were able to venture out to place bids on the amazing items there to be auctioned off! We couldn't do it without you, with your help we were able to have yet another successful chili/soup cook-off and auction.

Rocket Boosters would also like to thank all the volunteers that helped us succeed in hosting the first Rocket Invitational held at the Convention Center in Pendleton. Those that brought food for the hospitality room, worked in the concessions, collected entry fees, drove their kids in for "Elf Time" (half time entertainment), sold programs, bought ads for our programs, announced the games, kept the scoreboard/clock, and sat at the coach/player door greeting them with a welcoming smile....we thank you all very, very much!!!

# HOST A CIEE EXCHANGE STUDENT

BRING THE WORLD TO YOUR HOME

HIGH SCHOOL USA

Pilot Rock area host families needed for awesome kids arriving to our area in August. No family is too loud, quiet, boring, or active! Our high school students speak good English and will attend one or two semesters at local high schools. Email Shawna at sbusey@ciee.org to find out how your family can welcome a student from across the world into your home. Refer a family that hosts and we will thank you, your school, or your organization with \$100.

My name is Lynn Williams and I am a student at Pilot Rock Junior High School. I'm writing to you today to request a monetary donation to help purchase supplies for my STEM project. For my STEM project, I am building a Pergola to be used as an outdoor classroom and community sitting area. The estimated cost is \$500.

I have chosen to build a pergola for the school because I want to make a contribution to my school and leave my mark; as well as, add to the aesthetics. Finally, several of our teachers have expressed wanting to take their classes outside to learn and this will provide a sheltered learning space for them.

Any assistance you can provide would be greatly appreciated. If you are willing to donate, please make checks out to "PRHS" and in the memo line write-"STEM project". If you have additional questions please call Lela Thieme at 541-443-2671.

Thank you for your support!
