appreciated, also really belated thank

ECONOMIC DEVELOPMENT TEAM

The City of Pilot Rock is working with Eastern Oregon Business Source to assist the City in achieving economic development goals. We are opening the doors for economic development and to build relationships/partnerships that help create and retain jobs in our community. New jobs are the lifeblood of any thriving region and can ensure economic health and prosperity for years to come. Job creation & retention in a community produces a ripple effect that can have a positive profound impact on every aspect of community life. This team focuses primarily on these areas. One of the goals is marketing & selling the industrial property near the Lagoon project. We are looking for professionals, business owners & volunteers to join the team for improving the economic well-being of our community to develop goals that are unique to the City of Pilot Rock. There will be 1-2 virtual/phone conferencing meetings monthly for about an hour beginning in March. If you are interested, please contact City Recorder at City Hall or email to teri.bacus@cityofpilotrock.org.

The Mayors Minute or two..

Time moves on doesn't it? Sometimes too fast for us and other times at breakneck speed. Right now, I'm almost at a stand still but I'm in the process of ramping up quickly and I can do it by phone if necessary. Its time to think about Community Days and I say we go for it and try to get some normal life back. We still have plenty of time to plan and move forward from last years plans. We were looking at the last weekend in July, so this year it would put the date at Friday July 30th and Saturday July 31 with Church on Sunday August 1st. Anyone have information about conflicts with those dates? Let me know @ 541-969-6033 please. Once we clear the dates we can move forward.

Many thanks to Mayanna Kopp for being so good about staying in touch with me. I'm always up for a good visit. If for some reason, I can't visit at the time you call, Ill let you know! I hope we can count on no more snow! I'm ready for spring :O). Do take care and keep each of you hole and healthy. My thoughts and prayers for anyone one who has been affected by Covid.

P.S. Regarding Community days, be optimistic!

Mayor**
