TextMyGov is Here!

Skip a phone call! The City of Pilot Rock
texting program is now available. The pro-
gram was developed to open lines of com-
munication with the city and citizens. The
system works 24 hours a day and it will an-
swer questions, send links to websites, pro-
vide details on topics such as utility pay-
ments, city news, and events. Citizens can
easily report issues to City Hall such as
drainage problems, loose dogs, road dam-
age and many more. It will help to easily
find information and get questions an-
swered by texting in keywords. Citizens
can also opt-in to receive alerts, news, and
events directly to their phone. Just text PI-
LOTROCK to 91896 to sign up to receive
city text alerts. Citizens can begin commu-
nication by texting "hi" to 541-532-2555.

Mayors Minute or Two..

Well after a couple weeks of Spring Fever, Winter came back for a few days and let's hope it's about gone!!

The new Family Dollar/Dollar Tree store is going strong and might be open by April!

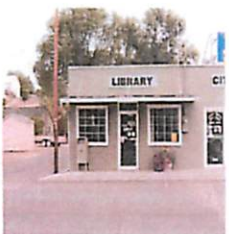

The Dollar General should be starting soon with the tearing down of the old hardware store, and with that we would like to thank Greg Elliott and family for serving Pilot Rock for Many Years!

Mayor**

1. I wonder if my books are due?
2. Oh no- my books are due and I want to renew!
3. Do any local libraries have this book?
4. Is that book I have on hold headed my way?
5. Have I read this book before?

If you contact the library, I can tell you the answers to all these questions.....except number 5. It's a privacy thing.

But you can also log on to your library account 24/7 and find the answers to these questions. Including "have I read this book before". Answers to 1-4 will automatically be found on your account but you need to get into your preferences to set up the system to recognize what books you have checked out before. Questions? Call or stop by the library.

Pilot Rock FFA Chapter

Recently, some of our chapter members have participated in District Convention activities. They elected our new district officers for the upcoming year and looked over other chapters' portfolios and scrapbooks. Three of our Junior High members participated in Creed Speaking and Photography and had an extraordinary time. Our superintendent and principal, Troy Jerome and T.J. Presley, judged different events and was very impressed with FFA members ability to speak so well in front of crowds. We had a successful FFA week, and had the whole school participate in FFA related activities. A huge thank you to everyone that bought tickets and collected their meals at the FFA Drive-Thru BBQ, and to businesses and individuals that funded this event! The next chapter meeting will be on March 8, 2022 at 7p.m. if you would like to join us. Thank you!
