Mayor's Minute

We are now in the second season of the year for those of us in the Pendleton region---after Round Up ;-). A special thanks goes out to all who participated in the Dress Up Parade---the Fire Department with three rigs, Pilot Rock High School with about half of their student body and driven by Randy Mills, Pilot Rock FFA, and The Bike Pit with a great display. It was so good to see such a great display of support from our community, and also, once again, a special thanks to Tess Hamby for driving my SUV. Memories were being made for kids and adults alike. Thanks for showing up! Your efforts are appreciated and noted.

A rather interesting event will occur on September 26, 27 and 28. A videographer by the name of Tim Lewis and his crew will be in town from Eugene doing an episode for a documentary on our L

Landfill situation. It will be a portion of a film on the Parvin butte issue in Lane County in Dexter, Oregon. I'm sure most of you are aware of the huge fine levied by DEQ against Kinzua Resources, LLC and its owners. I might add this has absolutely nothing to do with Boise Cascade/Kinzua Lumber! Two separate entities completely. DEQ is aware the film is being made, and you need to be aware of what is underway when you see a film crew in town. Some of you may be interviewed? At this time, I have no idea what the procedure will be?

Are you gathering things up for the Community Yard Sale coming up on October 10 +11 at the Community Center? Hope so! Please call me at 541.443.5832 to make arrangements for a pickup on Wednesday, October 8 and I still need volunteers for putting out items on Thursday, October 9! The more hands, the faster it will go. All proceeds, after expenses, will be used by the Downtown Association for community projects. Donation slips are available for tax purposes as the Downtown Association is a 501c3.

Also, please mark Sunday, October 12 on your calendars, as that is the next race date at the Bike Pit!

Happy Trails!

Virginia Carnes, Mayor
