PILOT ROCK FOOD PANTRY

The Food Pantry will be open October 10th, November 14th and December 12th. We are open from 10:00a.m. until 4:00 p.m.

If you run out of food during the month, the Salvation Army has food available on Mondays and Wednesdays, 10:00 - 12:00. The building is on 1st street, directly across from the Sherman and Williams paint store. You can call them at 541-276-3369.

Helping Hand gives out food on Fridays. Phone # 541-276-3418.

Anyone that would like to donate food to the food Pantry, may leave it at the Pilot Rock Baptist Church. The office is located on Birch Street; it is part of the new addition. Office hours are Monday through Thursday, from 9:00 to 1:00. Thank you for your kindness.

From the Desk of School Superintendent, Steve Staniak

Pilot Rock Elementary is looking for ways to increase parental involvement in the school. Our first step will be the development of a 21st Century School Council, also known as a Site Council. We'll need to find three parent volunteers to serve on the Site Council, which will meet at least once a month. The committee will help develop plans to improve the professional growth of the school's staff, focus on improvement of the school's instructional program, and develop and coordinate the implementation of programs at the school.

If you are the parent of an elementary school student and want to get more involved at the school as a member of the Site Council, please call the elementary principal, Steve Staniak, at (541) 443-2361 by Thursday, October 17.

Veteran's DAY

Pilot Rock School District will be honoring our local veterans at a Veterans Day assembly on Thursday, Nov. 7. We'll serve breakfast to veterans and their spouses and then hold an assembly in their honor. If you are a veteran and would like to attend our breakfast, please RSVP to the high school office at (541) 443-2671.

We are also gathering military photos of our local veterans to be displayed during the assembly. If you have a photo you'd like to share, please take it to the district office. We'll scan the photo, reprint it, and use it during our assembly.
