A Note from School Superintendent Steve Staniak

It's hard to believe, but summer vacation is already over and our students are back in school. It's always an exciting time for educators to see our students walking back through the school doors!

There have been several personnel changes in the district this year. After many years of outstanding leadership, Superintendent/Elementary Principal Gordon Munck has left the district to begin his retirement. We wish Mr. Munck well in his retirement.

Steve Staniak will be taking Mr. Munck's place as the superintendent/elementary principal. Mr. Staniak is beginning his 25th year as an Oregon educator, including 16 years as a school administrator in the Siuslaw, Stanfield, and North Lake school districts. He's very excited for the opportunity and is looking forward to getting to know the staff, students, and community members in Pilot Rock.

There are two new teachers in the elementary school this year. Beth Naughton will replace Mo Rugg in the third grade classroom and Laura Byrnes returns to the school in the sixth grade. Mrs. Rugg will be enjoying her retirement and last year's sixth-grade teacher, Ryan Heinrich, has taken over the reins as the principal at Nixyaawii Community School.

The district also has hired Rick Heimgartner as a new bus driver replacing Rose Deno. Jessica Thomas, an instructional aide at the elementary school, also has left the district.

We're anticipating an exciting and productive year in the Pilot Rock School District and we encourage all of our student's parents to be involved in the schools and their students' education. It's going to be a great year in the Pilot Rock schools!

I would like to say thank you to everyone in the community that helped make PR Days a success! I can not express how much I appreciate every single person that helped with the entire Community Days, but I would like to recognize the PR Football team, PR Key Club, Gary Muth, and Jake Shepard without these people we would not have a Community Days. There is a lot of time spent to set up and clean up for this event and it takes a lot of work and a lot of hands, but together we made it happen. A special Thanks to Kelly Kietz, Tom Melton, Beth and Randy Mills, Tess Hamby, Dezi Crain, Annie and Gary Tester and Virginia Carnes for helping get the jobs done. These people went above and beyond to get groups of kids together to make a lot of work much easier.

PR Days Director of Set up and Clean up.

Everything we do is by conscious choice.

What we choose defines who we are!

PRWW 2nd Annual Stick Horse Rodeo

A great time was had by all at this year's Stick Horse Rodeo. 4-H members and their parents were kept busy with all our contestants; we had around 30 kids participate in the rodeo.

Our Champion Buckle winners were:

2 & Under: Sophia Nirschl and Tucker Holton

3-4 year olds: Gracee Hemphill and Logan Gourlie

5-6 year olds: Alison Warner and Trentin Brown

We would like to thank our generous sponsors for their support, without it we would not have been able to provide such nice awards for the kids participating. Our sponsors this year were: PGG, St. Anthony Hospital, John VanHouten Trucking, Hatley Construction, Camas Prairie Wood Products, 4T Ranch, Pat Smalling (G & R Auto Repair), and Mark and Jodie Mascall. Because of their generosity we were able to award a tee-shirt to every child this year with our Champion Boy and Girl in EACH age group taking home a trophy belt buckle. We would also like to thank the Warner Family for providing the adorable little goats for our goat tail untying event. I think that was the kid's favorite event.

Again thanks to all our sponsors and participants, we hope we see you all again next year!
