PRHS Recycle Project

Pilot Rock High School Key Club members Taylor Hatley & Laney Jensen are chairing an upcoming school & community-wide metal recycling project.

Expect to soon see black barrels (with blue & yellow checks) placed next to the newspaper recycling bin & at the Pilot Rock Market.

You can recycle ALL metal cans at these barrels; however please NO aluminum pop cans.

Recycling is easy: Rinse cans & remove labels then drop in barrel. You can also drop off your metal cans at the elementary and high school.

Thanks for making Pilot Rock greener!
 Remember; Rip, Rinse, & Recycle!

Any questions contact Taylor Hatley or Laney Jensen at the high school, (541) 443-2671.

In the Garden with Lori!

Greetings Gardeners! It is March, time to plant peas, greens, radishes and other early-season crops! We will be using the Elm Street Garden for vegetables this year. The Main Street Garden has been cleaned up and we will start fresh with flowers only, in order to create a cheerful, fragrant display downtown. If you or your organization would like to reserve a bed for flower gardening on Main Street or a vegetable bed on Elm Street, please call for a sign-up sheet. The number is 443-2905. See you in the garden!
