PRPD Press Log

PR Education & Community Foundation/Community Days

The Pilot Rock Education and Community Foundation is finally at the point of having a HUGE class reunion including all graduating classes from Pilot Rock High School. It is exciting since there are many families who have three generations of graduates still living. How fun to get all the generations together in one place on one evening! The evening will be the kickoff to the 2012 PR Community Days, August 17, 2012. Community Days events will continue Saturday and Sunday, August 18 & 19. We are sending this notice out to let people begin making plans to attend.

There will be a dinner provided by the Foundation at the Community Center on Friday evening. The menu will be tri-tip or chicken, baked potato, salad, and a roll. Beer, wine, and pop will be sold on site by the owners of Archies Restaurant. We hope to serve dinner in shifts by groups of classes (ie. 1940-1960 at 5:00 pm, 1961-1970 at 6:00 PM, 1971-1980 7:00 PM, 1981-present 8:00 PM). The price of dinner will be \$12, with the proceeds going to the Pilot Rock Foundation which provides scholarships to graduate of PRHS, helps with educational needs of the district and supports community projects. The attached flyer will explain how previous monies have been distributed and has a form where you may send a donation.

There have been a number of individuals who have already volunteered to be a contact for their classes, but if you are the holder of the, oh so important, "class list, addresses and phone numbers for reunions" please let me know. I would ask for you to make the contact with your classmates to get a head count of how many would like to attend this first annual dinner and get-together. Although still in the planning stages, there will probably be gifts for the person who travels the farthest, the oldest person in attendance, the class with the largest turnout. It would also be really fun to have a float from each of the classes in the parade on Saturday.

If you know who needs this information in your class, please let me know at 541-443-2881 or annie_tester@yahoo.com. Tell your kids, brothers, sisters, moms, dads, grandparents if their names are not included in this email. Please get the information out now so when we send out later emails we will be able to get a close to accurate count of people who will be participating.

Community Gardens

Greetings Gardeners! Our square-foot bed is sprouting and growing despite wild weather in the third bed of the main Street garden site-go see for yourself! We will be demonstrating the techniques for this kind of intensive planting on Saturday, April 28. Kids who want to form our first 4-H Gardening Club are welcome--we will have sign-up sheets and activities for all ages. If you would like to reserve a garden bed for 2012, we have 25 raised beds with free water available on two sites. This is a great way to spend family time and save money on fresh produce.

Call me at 443-2905. See you in the garden! Lori Newberry
