# School News

## Weekly News Report from the Pilot Rock

### High School

From Laney Jensen and Taylor Hatley

April is earth month and the last week in April Pilot Rock High School and Jr. High decided to go green! All week we had boxes in the office for all the classes to recycle their old papers. Tuesday over half of the student body wore green to represent going green. Wednesday was 'Noise Pollution' where there was a class competition for the class that could scream the loudest. Thursday students had to make an effort to carpool to school or too find another way of transportation to school. Even on a rainy day the parking lot was sparse earning everyone to an extra 15 minutes of lunch break.

Friday the 27th and Saturday the 28th the theatre class presented Charlie and The Chocolate Factory. The play went very well and if you missed out or if you want to see it again it will be playing Friday, May 4th at 8, the doors will open at 7:30 PM.
