The Mayor's Minute or Two!

"Progress, Pride and Possibilities"

Now that the 4th is over, we are rolling right into Community Days! The summer is moving very fast Isn't it? Special thanks to the Pilot Rock Fire Department for bringing two rigs into the Pendleton 4th of July Parade. It was quite a parade, and an unexpected pleasure—thanks to Jeff Hemphill and his family for their dedication. The trucks came right from an early morning fire and made us very proud. Thanks also to Joey Grosjacques for driving my rig (First Citizens) and to Annie Tester for being present also. We carried the flag for Pilot Rock and loved it—plus we made a lot of noise in the process. If you haven't been before, you missed a treat.

The Downtown Association would like to thank all of the donors and helpers for their work and effort for the recent Birch Creek Wine and Beer Phest. We'll run a complete list of donors in another section! Thanks also to Irish Country for an amazing evening of music. The highlight of the evening was Jim Doherty dancing to "I Could Waltz across Texas with You in My Arms" with Mom, Carol Doherty. Dad Pat Doherty Senior did a mighty fine job of singing "Have I Told You Lately That I Love You" it was a great night in Pilot Rock!

Are you interested in being a certified ID checker for Community events—not a server but only ID checking? We have a class being held on Thursday evening, July 18 @ 7 pm in Council Chamber. It is a free class and being taught by Stan Fetterhoff of DLCC. Please let me know— 541.443.5832! The license is good for 5 years.

I received word this last week that Senator Berkley will be doing a Town Hall Meeting in Pilot Rock on August 8, which is quite an honor for our small community. More details to follow and location to be determined—either the Community Center or Council Chambers, and there will be a Meet and Greet prior to the meeting.

Have a wonderful couple of weeks, and spend some time appreciating what a wonderful community we live in! We also need to give thanks each time our fire and police departments roll out—and come home safe and sound. Prayers go out to the 19 families and friends of the firefighters lost after the horrendous accident in Arizona. It's hard to get your mind around such a horrible event.

Virginia Carnes

Any more paper crafters out there?

If you are in the Pilot Rock area and interested in paper crafts whether that is making cards, scrapbook pages, or gifts for the holidays--I want to be your gal! I am considering becoming a Stampin' Up demonstrator! If I can find at least 10 people committed to spending say \$10-\$15 a month in product I think I can make this happen! And in return I would provide a class each month with a project that would inspire your creativity! Let me know if you are interested or give me (Lela) a call at 443-2127! Who's ready to get their craft on?!?!? There are six ladies interested so far--we would love to make this more!

THANK YOU CORNER

The food pantry committee truly appreciates the contributions to the pantry. The people of Pilot Rock are very good about this. We do, however, wish to remind people that we try not to pass out food that is out-dated and most of the out-dated food has to be discarded. Thanks for all your help. During the summer months, we will be open only once, the second Thursday of each month.

2nd Annual Reunion Dinner

It is again time to start taking reservations for the 2nd Annual Class Reunion Dinner for Friday, August 16, 2013. Last year was a great success and the Pilot Rock Education & Community Foundation decided to make it an annual event. It is a relaxed way to start the Pilot Rock Community Days weekend, which will include many events.

The menu will be tri-tip or chicken, baked potato, salad, and bread. Beer, wine, and pop will be sold on site by the owners of Archies Restaurant. The price of dinner will be \$12, with the proceeds going to the Pilot Rock Education & Community Foundation which provides scholarships to graduates of PRHS, helps with educational needs of the district and supports community projects.

The dinner will be held at the Pilot Rock Community Center and a beer/wine garden will be situated behind the building. There WILL be outside lights this year.

We apologize for that oversight last summer. If your class is planning a reunion, we would be glad to have the group and will make sure to set reserved tables away from the main room seating.

We will again serve in shifts:

- 5:30 PM 1930s-1950s
- 6:00 PM 1960s-1970s
- 6:30 PM 1980s-Present

But of course if your family generations would like to eat at the same time, we will gladly serve you together. Please make reservations by July 31 to the number or email below. Include choice of meat with reservation. We hope to see lots and lots of PRHS graduates and local folks who would like a great meal at a minimal cost. Please contact me at 541-377-3075 or 541-443-2881 or

annie_tester@yahoo.com.

Greetings Gardeners! We are delighted that all of the beds at the Elm Street Garden are full of healthy plantings this year. If you are interested in having a bed for fall crops, please call me at 443-2905.

I would be delighted to give a tour of the garden with anyone interested in raised beds, drip irrigation and intensive planting techniques-same phone number, young people welcome!! We would like to thank Sister Steadman and Sister Gorham, local Mormon Missionaries, for their generous contribution to this year's community garden effort. They braved some serious heat to re-mulch the garden aisles with straw to keep the weeds down. Well done, Ladies!! Thanks also goes to Terry and Todd Hamby for the straw bales! We are looking for a flower-lover to plant and keep the Main Street beds. Again, young folks are welcome - See you in the garden!! Lori Newberry lmln56@hotmail.com

Summer is here, and there is a new schedule for the Food Pantry. We will be open ONLY on the second Thursday of each month.

EVERYONE, absolutely, EVERYONE WHO IS GOING TO COME TO THE PANTRY DURING THE MONTH OF JULY, COME ON JULY 11TH.

We will not be open any other day, just JULY 11th. We'll start at 1:00 and work until 4:00 or until everyone has been helped.

Be sure you don't miss JULY 11th. Be sure you tell someone who doesn't read the newsletter. It's very important.

We will only be open in August, on August 8th from 1:00 to 4:00, or until everyone has been helped. Again don't miss it, it's the 2nd Thursday and the only day we will be giving out food.
