Post Round-Up Yard Sale

Don't do yard sales, but still want to do a fall clean
out?

Consider donating any unwanted items to the DTA
(Downtown Association) Yard Sale over the
weekend of September 24 & 25 ! Plans are currently
underway for the weekend after Round Up and more
information will follow. This is just a preliminary
"heads up" that there will be an alternative to all of
the yard sales over Community Days that you won't
have to set up for or
"man"---just clean it out!

1961 Football Potluck

The PRHS football team of '61 will be having a potluck in the City Park on August 27th at 12:00 noon. The public is invited to come and celebrate the 50th anniversary of their Co-Championship. Hope to see you there.

Pilot Rock Rural Symposium July 21, 2011

"Creating Jobs in Rural Communities" *Photos by Kacie Moss*

Thank you for once again sponsoring the Pilot Rock Rural Symposium. This opportunity to bring an elite panel of people together to discuss strategies for rural economic survival is a great asset to our rural community. I am proud that Pilot Rock has taken on the leadership role to provide this event every year. The panel this year was especially motivating. I was happy to see that two of the panelists represented the Forest Industry. It's value to the rural community is obvious by the excellent attendance from small community leaders from Gilliam County to Union County and parts in between. I hope that you can enable this event to be in Pilot Rock again next year.

Thank you,

Deborah Jones
