and Annie Tester

City of Pilot Rock

If you are interested in a council vacancy, please contact City Hall for an application. All applications must be received in City Hall no later than July 18, 2011

The next City Council meeting will be held on Tuesday, July 19, at 7 pm in the Council Chambers.

The Burn Ban is in effect June 15 until September 15, 2011. There is no burning permitted in the City limits between those dates. Thank you for your cooperation!

If you are planning an event utilizing City property, please go by City Hall and pick up an Event Check List to make sure all proper permits are applied for and in place. This must be done 30 days in advance of the event (2 council meetings.)

The Police Dept. once again has a direct line and that number is 541.443.1224.

White Eagle Grange

Hi all,

We won't be having another breakfast at the White Eagle Grange Hall until July 16, 2011. The all-you-can-eat breakfast will be from 7-10am. Our monthly meeting will be that evening with a potluck supper beginning at 5:30 with the meeting to follow at 6:30. We will be having BBQ hamburgers with all the trimmings and guests and members to bring salad or dessert. This is a picnic type meal so even a can of pork-n-beans or a bag of potato chips would be great. Non-members are welcome to join us for the meal and if you want to stay for the meeting we would love to show you what we are doing for our community. See you the 3rd Saturday in July. Have a great 4th and stay safe.

Community Days Quilt Show

This year Pilot Rock Community Days will feature a Quilt Show. This event will highlight both old and new quilts made by local quilters. If you have a quilt you would like to include in the show, please call Deb Jones at 443-3851. If you just enjoy looking at this quintessential American art, please be sure to come down to the City of Pilot Rock Council Chambers on Saturday August 20 to view some very unique pieces.

Community Gardens

Greetings Gardeners! Pilot Rock Community Gardens sends out a Big Thank You to the Baptist Church group who mowed and groomed the Elm Street garden last week. We are so grateful! The beds have been weeded, mulched and planted, although there is still room for more plantings and there will also be room for fall plantings. We will have sheds and a deer fence at Elm Street this summer. The straw mulch we put down is helpful against weeds, but we need to pave the perimeter of the garden with more straw. Please call 443-2905 if you are interested in participating in our gardening efforts. Lori Newberry

Although originated by Monica Hoffman, Karla Watson and I, the PRES Playground Rebuild Project would not have been completed without the help of two special ladies...Amanda Elumbaugh and Susan Price!

I would like to personally recognize and thank each of these ladies for their hard work and dedication to this project. You two were my backbone when I was exhausted and discouraged! You picked me up when I was sick and supported me when I was too tired to crunch the numbers! You rounded up donations, helped write and proof read grant applications, stood by my side during presentations, posed important questions to make sure everything was considered, read and replied to my million emails sent at all hours of the night, and volunteered to fill in every where needed. Without you two at my side throughout this project I am not sure this would have got done! Thank you for your dedication not only to this project, but also to the Parent-Teacher Club! You two are amazing and deserve a lot of credit for a job well done! Enjoy your time off--see you in August.

Many thanks,
Lela Thieme
