Community Day's Special Edition

Welcome to Community Day's/Reunion Weekend 2012!

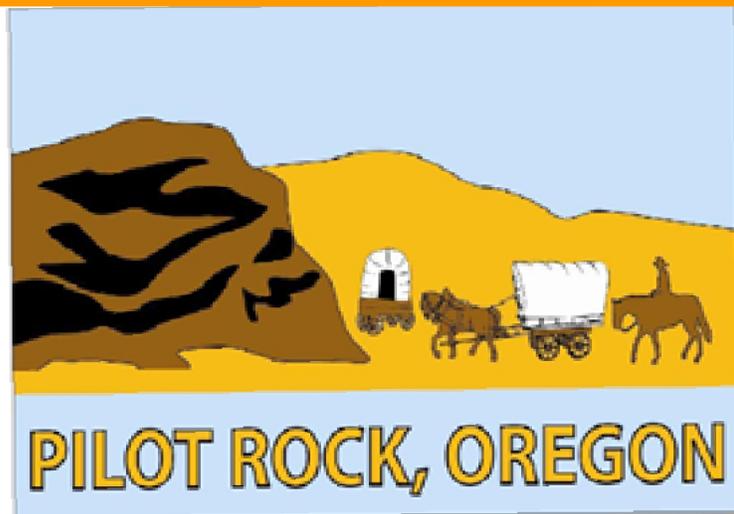

We're delighted you are participating whether you live here or have come home to celebrate with us. So many new things are underway---please examine the mural on the side of Jer & Ter's, look over our medians, go back to your schools and visit, spend some time on Main Street with our many vendors, see our new community flag on it's first outing during the parade, and have birthday cake on Main Street after the parade, celebrating Pilot Rock's 110th birthday and Umatilla County's 150th!

The all class reunion dinner is a new addition and you will have the opportunity to visit with many former classmates who are attending. A large crowd is expected! Saturday evening will find many down in the beer garden, continuing their visits with friends, neighbors and classmates, after a busy day on Main Street. Be sure and take in the logger's competition, visit the Council Chambers for the quilt show and perhaps purchase some reprinted photo's from Pilot Rock's past. So much to do and so little time!

Sunday morning will bring the Community Church service in the park at 10 am---a beautiful setting that makes you grateful that we live where we do!

Thanks for participating, travel safe, and we'll see you in 2013!

Virginia Carnes, Mayor

Watch for our new flag in the parade!

All Class Reunion Dinner, etc.

There are 200+ people showing up for the reunion dinner. The 1940's and 50's are asked to come to the Community Center at 5 pm, the 60's and 70's at 6 pm and the 80's + at 7 pm! All alumni Annie has talked to are extremely excited. The person coming from the farthest away at this point is Vermont. Locals really need to come out at least on Saturday evening to visit with all the folks making the trip. The schools will be open to visit from 2-4 on Saturday afternoon. High school students are asked to meet at the theater end of the school to put together a parade entry. It can include several vehicles if they are all decorated in Blue and Gold. GO ROCKETS!

Lua will be back with delicious Polynesian Chicken shish kabob with noodles and rice. If your hankerin for a delicious burger right off the grill, stop by the Bike Pit trailer and they will fix you right up. The Community Garden folks are throwing together their lettuce and tomatoes from the garden and adding bacon for a yummy home grown BLT. You will also be able to find, Indian Taco's, Icee's, cotton candy, lemonade, and even melons. If you are a vendor and still want to get in on the action, give me a call, there is an application and a small \$5 fee and you are in!!!
