Safety Recommendations from Pilot Rock Police

We have been receiving reports of burglaries and car prowls. It is the recommendation of the Pilot Rock Police to ensure the citizens are locking their houses and sheds before leaving for the night. We also recommend that everyone turn on porch lights at night to light the darker areas around everyone's houses and driveways. By turning on your porch lights, it will help eliminate the areas where subjects can move around without being detected. If you are up in the middle of the *night*, we encourage you to look outside and if you see anything out of the ordinary, please call the 24-hour dispatch center at 541-966-3651 and relay the information. We also recommend you lock your vehicles and remove any valuable items from inside. I hope this helps everyone to protect the property and items that you have worked so hard to achieve.

From the Desk of Supt. Steve Staniak

In an effort to improve communications with the Pilot Rock community and alumni, the Pilot Rock School District has started its own facebook page. Simply log into your facebook account, search for "Pilot Rock School District" and then "Like" the page.

The facebook page will be used to for school closure information as well as other important school-related information, such as changes to athletic schedules or reminding community members of school events. We are hopeful that we can help keep everyone informed of school events through the use of this facebook page.
