Have a Happy and Safe 4th of July Holiday Weekend

City of Pilot Rock

The following topics were discussed at the June 21, 2016, Council meeting:

1. Council granted an extension for a variance at 106 S Alder. The issue being that there is no off street parking provided for the duplex. The City has purchased the property next door and will be demolishing the house and the stairs to the school. The City will then build new stairs. Once the City is done using the property it will be leveled, graveled and turned into a parking lot. At that time Mr. Fenton the owner of the duplex will negotiate terms with the City to either lease or purchase the parking lot which will resolve the off street parking issue. The variance is extended until such time as the lot is made available.
2. Upon the Planning Commissions Recommendation Council approved a variance at 142 NE Douglas.
3. Council adopted the revised Wastewater Facility Plan that has been approved by DEQ.
4. Council passed a Resolution giving the City Bonding Authority, which will allow the City to obtain funding form USDA for the required Lagoon Upgrade.
5. A Resolution was passed establishing the sewer rates for the upcoming fiscal year, starting July 1, 2016. The rates reflect the increase needed to meet the threshold required by the funding agency for the Wastewater Lagoon Upgrade.
6. The 2016-2017 Budget was adopted.
7. An Ordinance Amending the Public Safety Surcharge was passed. The Surcharge is now $3.50 per month.
8. An Ordinance establishing rules and regulations for RV Parks was adopted.
9. An Ordinance prohibiting marijuana related business in any zone.
10. Council granted a Franchise to Wtechlink.

The following topics will be discussed at the next Council meeting on July 5th at 7pm

1. Brad Baird and Jadon Herron with Anderson Perry engineers will be present to answer any questions citizens may have regarding the Wastewater Facility Upgrade and brochure that was sent out last week.
2. Council will consider a resolution declaring the Bike Pit property as surplus.
3. Council will review the deed that will convey ownership of the Bike Pit property to the OHV Board.

WHAT'S GOING ON...

Susan Price Our New Librarian

Congratulations to Susan Price, she will be taking over as the Pilot Rock Public Library Librarian as of July 1st. For the past three years Susan has been the part-time office clerk in City Hall. Having worked in our Library back in 2005 and 2006 she has also served as back up librarian when Susan Hilliard was on vacation. Susan Price tells me this is here dream job and can't wait to get in there and put her touch on the library. Susan has proven herself to be a real asset to us here in City Hall and I know she will do a great job as our new Librarian.

Wastewater Facility System Improvement Fact Sheet

A Fact Sheet about the Wastewater Facility Upgrade project was sent out in the mail last Friday (6/24). It is a really good tool to keep our citizens informed on what is going on regarding the new lagoons. If you did not receive one, please stop by City Hall and pick one up.

THE MAYORS MINUTE

As the 4th of July approaches, I'm hoping those of you who are not vacationing or camping will make the effort to get into Pendleton for the big parade beginning @ 10 am. Last year there were more entrants in the 4th of July parade than in the Dress Up parade for Round-Up. If you've never attended, it's worth the effort. Pilot Rock will be well represented by the Fire Dept. (barring a fire!) the City, the Bike Pit and our first Citizens Katie Weinke and Packy Doherty.

If there is anyone out there who is interested and qualified in volunteering for the Fire Dept. your help would be welcome. I believe there are 26 volunteers presently, but people please note some Fire Dept. volunteers are ageing also. We need new recruits who have a few active years ahead of them and I don't mean to poke @ the Fire Dept. That's just reality. Ron Neeley, Richard Hemphill and Craig Beers are retirement age or almost but all are still going strong, but again reality tells us we need new, interested and capable people stepping up to the plate! It does take time to go from ground 0 to the expertize of the capable people now on board.

If you have bored kids, the swim bus might just be the ticket. We have well supervised, well fed and the cleanest kids in Umatilla county! Call city hall @ 443-2811 to see about a pass. It's an awesome program and AmyLee Perrine is this summer's director.

Have a great 4th of July and be careful with the fireworks. We are definitely in fire season!!

Virginia Carnes,

Mayor

NOTICE IS HEREBY GIVEN that the City Council of City of Pilot Rock, in Umatilla County, Oregon (the "City"), adopted Resolution No. 591 on June 21, 2016, authorizing the issuance of wastewater revenue bonds. The bonds will be issued to finance capital improvements to the City's wastewater system.

If written petitions, signed by not less than five percent (5%) of the City's electors, are filed at the Office of the City Recorder on or before August 29, 2016 (the 61st day after the date of publication of the notice), the questions of issuing the revenue bonds shall be placed on the ballot at the next legally available election date.

The Office of the City Recorder is located at 144 North Alder Place, Pilot Rock, Oregon 97868.
