WHAT'S GOING ON....

Stairs to the School

The last remnants of a City land mark or icon are gone. Last week the Pilot Rock Public Works department removed the last piece of the stairs to the high school and middle school. As I understand it the stairs have been there since the mid 40's. For the past 7-8 decades the stairs have helped our children get back and forth to school, provided easier access to downtown, as well as made a challenging workout for those wanting to get into, or stay in shape. Plans for the replacement stairs are well under way. It may take a few more months to finalize the design and work out the logistics, but rest assured a new set of stairs are coming.

The Pilot Rock OHV Honors Lives Lost on 9/11

This past Sunday marked the 15th anniversary of the attacks on 9/11. Sundays MX race at the Pilot Rock OHV Park (Bike Pit) was dedicated to the thousands of lives lost during those attacks. The OHV Board invited members of the National Guard, Police Department, Fire Department, First Responders and also the men and women of Life Flight. A ceremony was held before the races presenting our nations colors and the national anthem was sung by Pilot Rock Police Officer, Daniel Badal. See OHV 1A

THE MAYORS MINUTE

Well...Round-Up is here once again and Pilot Rock had a great contingent show up for the Dress Up Parade. Thanks to those who drove the parade route representing this community, Richard Hemphill and Josh Hoeft(PRFD) Daniel Badal(PRPD) Sheila Buckley(City of PR) Ray Johnson(PRHS), Jason Gibbs(PRHS pep band) and Eileen Wagoner the Mills family for the Bike Pit and Terry Womack who drove our First Citizens in his convertible. It was a very impressive display for our community. You are all deeply appreciated.

The Bike Pit had a great race turnout on Sunday with 50 riders!! Again, special thanks to PRFD and Life Flight for their assistance. The races couldn't go on without you., Only one more race to go on October 23rd. Come and enjoy!!

We are also looking forward to pumpkin-fest if we can come up with pumpkins and volunteers. Please let me know if you are aware of where we can get approximately 100 pumpkins free of charge. This is definitely a non-profit activity and purchasing that many pumpkins would be out of the question. We also need the volunteers to man a variety of activities for kids.

If you still have items that didn't sell during your yard sales, please let me know.

We have our big Community Yard Sale on Oct 7-8 from 9-6 pm at the community Center. Volunteers are also needed to help pick-up from the community and to sort on Oct 6. Call me if you would like to volunteer!

We also have a dog/cat clinic scheduled for Oct 14th @ the City Shop from 3 to 5 pm.

I must apologize to Blanch Dames and Carol Burden for my last article which I was unclear on, my intention was to ask those who didn't help with community days to not criticize those who put in hours either directly helping or indirectly helping others, who were participating. So ladies- you have my apologies for my unclear article and I will endeavor to be more clear and concise in my mayor's minute. This is my 50th year of living in Pilot Rock and I've worked hard to stay positive and stress community pride as well as volunteerism.

Enjoy Round-Up and this beautiful weather!

Mayor

OHV

There's a saying, "you are never truly gone until you are forgotten," our hats off to the OHV board for taking this opportunity to remember the lives lost on September 11, 2001.

About 200 out of towners came to Pilot Rock to participate or watch the race. The 60 riders, both pro and amateur, provided a day of exhilaration and fun. The next race is October 23rd.

It is my intention to include articles such as these in each newsletter to keep our citizens informed. I will make every effort to include all sides and present as much of the facts as possible. If you have questions, please stop by City Hall and Steve Draper or I will be happy to answer them to the best of our ability. You are also invited to drop questions in the payment box and if appropriate we will answer them in the newsletter.
