# Smoke Alarms

Smoke alarms are a very important means of preventing home fire fatalities by providing an early warning signal so you and your family can escape. According to the U.S. Fire Administration (USFA), an estimated 385,500 fires occur in residential buildings every year resulting in 2,770 civilian deaths and 13,250 injuries. When a smoke alarm sounds, it is time for you to spring into action.

You can prevent tragedy simply by testing and maintaining your smoke alarms and practicing a fire escape plan. Make sure your home fire escape plan is up to date and everyone in the home knows what to do when the smoke alarm sounds. Practice your plan often and remember to change your batteries in your smoke alarms.

For more information visit the United States Fire Administration's Focus on Fire Safety web page to watch an educational video on smoke alarms and to test your smoke alarm knowledge through an interactive quiz. You will also find links to valuable fire prevention resources available from USFA

## PRES PTC

Pilot Rock Elementary School must remove 90% of our playground equipment due to safety issues. Help us rebuild our playground by making donations to the PRES PTC or dropping them off at PRES!

In addition, PRES students are currently selling "I helped save the PRES playground" t-shirts for \$10 and stickers (for the car window) for \$6. PRES gets 50% of the sales for each of these items.

Thank you for supporting your local school in their efforts to rebuild their playground.

# Senior Center News

The Pilot Rock Senior Met Oct. 7, 2010 and new officers were elected. Alma Day is Chairman, Gary Hale is Vice Chairman and Kathee Moffett is Treasurer. Linda Hill is still Secretary and John Nelson is still member at large. The Pilot Rock Seniors will be going to Pendleton Senior Center for lunch on the 21st of Oct. There is a sign up sheet at the Senior Center. Here is to a very big Thank You to everyone that helped make our Baked food sale and Raffle a success we made our \$500.00 goal towards a 2011 scholarship for a 2011 Pilot Rock School Senior. The Senior Center will be open Oct. 11, 2010 at 1:00pm for what we are going to call game day. This is other than Pinochle that we have on Wednesdays and Bingo on Fridays. So bring down your card games, domino's , or what ever you like to play and maybe teach others. Since fall and winter are coming upon us this is a good way to get out of the house. There is more news coming so be sure to check out the city news letter

# Food Pantry News

The Pantry is having a contest. We need a logo for the Pilot Rock Food Pantry, we are asking you to get very creative and submit your ideas to us. Archie's has been very generous and donated a \$20.00 gift certificate, to be awarded to the winner. You may bring your designs and leave them at Archie's Restaurant. Art students, FCCLA students, any student, maybe you can get extra credit from one of your teachers for submitting a design. All designs from adults or kids will be very much appreciated.

We have so many people to thank this month. The kids in Mrs. Haddan's FCCLA class surprised us with several hundred pounds of canned food. Larilyn and Andy Gose have donated 30 plus dozen eggs. And each month, the Seventh-Day Adventist church blesses us with much needed items. Thank you to everyone for small and large gifts, that's what keeps us open.

# CORNFED

The CORNFED event has been set for November 6th, 2010 in the Walla Walla Corn Maze in Walla Walla, WA.

The event has been posted on Facebook; a link has been placed on the Official CORNFED Facebook page for the event found at <http://www.flashpointpaintball.info>.

Also, links and event preregistration has been established on the Flashpoint Paintball website, <http://www.flashpointpaintball.com> and scenario details, such as prop development activities, mission parameters, and costuming assembly, are popping up on the Flashpoint Lancer team group page (found at <http://www.flashpointpaintball.org>) as they become available.

R.L. Noble

CORNFED is a post apocalyptic CQB scenario event produced by Flash Paintball and the Flashpoint Paintball community.

Laura Byrnes will be heading up the dinner at 443-5681

# *Coffee Filters*

\*Special thanks to Barb Morehead for sharing this information.\*

Coffee filters .... Who knew! And you can buy 1,000 at the Dollar Tree for almost nothing, even the large ones.

1. Cover bowls or dishes when cooking in the microwave. Coffee filters make excellent covers.
2. Clean windows, mirrors, and chrome. Coffee filters are lint-free so they'll leave windows sparkling.
3. Protect China-- separating your good dishes with a coffee filter between each dish.
4. Filter broken corks from wine. If you break the cork when opening a wine bottle, filter the wine through a coffee filter.
5. Protect a cast-iron skillet. Place a coffee filter in the skillet to absorb moisture and prevent rust.
6. Apply shoe polish. Ball up a lint-free coffee filter..
7. Recycle frying oil. After frying, strain oil through a sieve lined with a coffee filter.
8. Weigh chopped foods. Place chopped ingredients in a coffee filter on a kitchen scale.
9. Hold tacos. Coffee filters make convenient wrappers for messy foods.
10. Stop the soil from leaking out of a plant pot. Line a plant pot with a coffee filter to prevent the soil from going through the drainage holes.
11. Prevent a Popsicle from dripping. Poke one or two holes as needed in a coffee filter.
12. Do you think we used expensive strips to wax eyebrows? Use strips of coffee filters...
13. Put a few in a plate and put your fried bacon, French fries, chicken fingers, etc on them. It soaks out all the grease.
14. Keep in the bathroom. They make great "razor nick fixers."
15. As a sewing backing. Use a filter as an easy-to-tear backing for embroidering or appliqueing soft fabrics.
16. Put baking soda into a coffee filter and insert into shoes or a closet to absorb or prevent odors.
17. Use them to stop soup stock and to tie fresh herbs in to put in soups and stews.
18. Use a coffee filter to prevent spilling when you add fluids to your car.
19. Use them as a spoon rest while cooking and clean up small counter spills.
20. Can use to hold ingredients when baking or when cutting a piece of fruit or veggies.. Saves on having extra bowls to wash
21. Use them to Christmas ornaments for storage.
22. Use them to remove fingernail polish when out of cotton balls.
23. Use them to sprout seeds. Simply dampen the coffee filter, place seeds inside, fold it and place it into a plastic baggie until they sprout.
24. Use coffee filters as blotting paper for pressed flowers. Place the flowers between two coffee filters and put the coffee filters in phone book..
25. Use as a disposable "snack bowl" for popcorn, chips, etc..

*Outside of the Box Thinking !*  
Hopefully You'll Find At Least One You Can Use!!
