Thank You !!

Mrs. Tester would like to thank all the high school students, teachers and coaches who participated in the Community Days event. The football coaches and players were vital to the setup and take down of the event. The Key Club under Mrs. Mills' direction helped tremendously with the dinner on Friday and also had a booth on Main Street Saturday. Students also participated in the parade and received 5 class points per student. These included the Russell girls on horseback, who won the Youth Group Award; the Oregon State Softball Champions; and PRHS student body members. In the future, we hope to have more students involved through class competitions.

School starts Monday! Drivers need to pay close attention while in school zones. We want all students to get to school safely. Parent/Student Handbooks will be given to students on the first day of school and read in class the first two days. Parents please ask your students to bring them home for perusal.

PRHS football and volleyball practices are in full swing. The parent meeting for both sports will be at 6:00 PM on Wednesday, August 27, at the football field. Athletic handbooks will be handed out and questions will be answered.

The staff is looking forward to another great year at PRHS.

Mayor's Minute

Is it time for school already? Sure seems that way. Each summer seems to pass faster and faster! It's an exciting time of the year for staff and children alike, and here's to an awesome learning environment for all.

I hope you had the opportunity to take in at least some of the Community Days activities? The Community/Reunion Dinner was a huge hit and everyone seemed to be enjoying themselves. Thanks so much to the Key Club for all of their help and to all who worked so hard to make it successful.

The Community Days organizing committee met Monday evening to review the weekend, and we are aware that we need to switch things up a bit, and are open to all help and ideas to make next year more productive. We need new ideas and also willing hands. It's easy to criticize, but unless you are willing to step up, your voice doesn't carry a whole lot of weight. I will be very blunt. At this point, it appears that we may have lost money, but we won't know for sure until all of the bills are in. We do have a bit of a cushion from prior years, and also the proceeds from the gun show last March, which was dedicated as a fund raiser for Community Days. Had that not been the case, you would have seen the last of Community Days, and what a shame that would have been. You simply can't run an activity in the red. Activities such as this are community builders, and those of us who love this community need to take some responsibility in the success of local activities---otherwise you just dry up and blow away.

For those who missed Karaoke and Irish Country Saturday evening, you missed some excellent performances. We all love the Doherty Clan and Irish Country, but those who stepped up to sing Karaoke were awesome. Thank you Terra Arbogast for your expertise and a special thanks go out to the entertainers===Paul Ellis, Katie Ellis, John Schiller, Buster Gibson, John Doherty, Packy Doherty, Jim, Doherty, Andréa Smith, and so many others---right down to our own Joey Grosjacues, Jackie Harrison. And who won't remember Annie Tester singing "Harper Valley PTA" and the Class of 1964 singing with Paul Ellis! Fond memories too of Michael Krosting and Kenny Doughty helping the poor old mayor to her car because her leg had gone numb after a long day. Lord, I think I almost flew out of there. What a sight that must have been---or was---according to Heather Nelson who was also helping with chip sales. And I might add I only had one Coke to drink the entire evening. Good memories! We live in a wonderful community. Are you doing your part to continue to make it a blessing to live here. You are the only one who can answer that question.

Virginia Carnes

Mayor
