The Mayors Minute or two..

Isn't it incredible that June is almost over? Talk about time flying.

My flowers are doing well on the deck and in the ground. I'm hoping July and August don't bring hail storms along with them! I remember many years ago when I had a yard of the month sign in the yard. We had a hail storm with 1" or so stones and my yard went away within 10 minutes. I didn't have a water Lily larger than a dime left and it took two pickup loads to clear away the debris! So much work went away so fast! So, for the remainder of the summer I'm hoping for no hail or fires! That may be overly optimistic, but I can hope!

Are you ready for the community wide yard sale on July 26-28 we are trying this year to split the yard sales off from Community Days which are August 16-18? Please call City Hall to get on the yard sale list and get put on the yard sale map. Their number is 541-443-2811. I'd like to see 40 or 50-yard sales going on! The maps printing, and other expenses is being funded in part by the Downtown association. It will cost \$5 to get on the list which will also list in part the items you have for sale.

Next week is the 4th of July Parade in Pendleton beginning at 10 a.m. It's really a nice Parade and has been larger than the Dress Up Parade for Round-Up. Come and enjoy the beginning of your holiday! We try to go in and represent the City and usually we are the only small City represented.

The Lagoon project is underway and things are going smoothly at this time. You can always count on glitches over a two year project but we can hope they will be small :O) Anderson and Perry do a great job as our engineers.

The swim program is again underway, and if you haven't already purchased passes for your children or grandchildren, City Hall can accommodate you! Your Kids are clean, fed and well supervised. What more can you ask.

Do have a safe and happy 4th We'll be in Pendleton carrying the flag for Pilot Rock :O)
