## What's Going on?

*By Teri Bacus*

It's an exciting time in the City of Pilot Rock. Finally, after almost three years of planning, the Lagoon project is on track. Most of the gravity collection network and lagoon system began operation in 1958 and has a capacity of approximately 250,000 gallons per day. The improvements include abandoning one of the existing lift stations and installing a new lift station which will connect to a new pressure pipeline approximately 4100 feet downstream. Approved contractor Silver Creek Contracting LLC will be constructing a new wastewater treatment facility which includes about 8500 linear feet of various sizes of sewer piping. Approximately 50 acres will be used for six new lagoons. The project is expected to be completed by August 2020. The City will be having a groundbreaking ceremony to kick off this huge project at the Lagoon site and all citizens are welcome to attend. The ceremony is on June 6, 2019 at 11am and refreshments with cake will be provided.

## THE MAYORS MINUTE OR TWO..

Can you believe it is already almost June 1?? Spring is almost a memory and with all the moisture, my yard is way ahead of the weeds. Or my weeds are way ahead of my idea of what it should look like.

A special thanks to Cheryl Schuening, Scott Willingham and Ron Neeley for giving up part of their Memorial Day weekend to help as EMT's at the Bike Pit. You are appreciated. Without Medical the races can't go on, so you are doubly appreciated. Also, a special thanks to Tanner from the Pendleton Fire Dept.

So many things are under way with assistance from Susan Bower and Nick Nash with Economic Development plans for the City. Bike Pit and Downtown Association, its an exciting time and we'll be looking for your input as to what direction this community takes.

Plans are well underway for community days and I think you will enjoy the event. Especially Redwood Son who has been booked for the Beer Garden more information will follow.

Are you going to participate in the big Community yard Sale the last weekend of July? We hope so. This will be heavily advertised, and we hope lots of visitors will come to see what we have! The more yard sales the better. Come into City Hall to get on the yard sale map for \$5. If there is enough interest in a Flea Market on Main Street, let me know and well make it happen, call me at 541-443-5832. Flea Markets are fun, also and there is no reason it can't run side by side with Yard Sales!

Congrats to the Class of 2019! We wish you well as you step into adulthood and that's a big step!

Have a great couple of weeks!!

Virginia Carnes,  
Mayor
