Are your house numbers visible from the street??

If not, emergency service may not be able to find you if you need them.

To better serve you, The Pilot Rock Police Department would like you to call

Dispatch @ 541-966-3651 for non-emergency police business, Not City Hall.

The Mayors Minute or two..

Well right now it looks like spring is here, but I'm still keeping my ice melt close @ hand.

Corona Virus is fast becoming a bad word. I know the hardest hit group is the 60+ group and that puts it on my front door also! My thoughts are that we can/must practice reasonable care in all activities and follow the rules that are on TV nonstop as well as dictates coming from the center for disease control. It's all about good common sense, and seniors, if you don't have close friends or family here, and you need help, please call me @ 541-443-5832 and I will do whatever is possible to help in any way I can to get that help. There are many awesome people available for outreach. Just wash your hands, take your vitamins and limit where you go. Pandemic is a word I have never written before, but it has just now been so labeled. Please keep in mind the risk that our first responder and EMT's will experience also. Many thoughts go to them for their caring and sense of responsibility to their community. If anyone knows what the protocol for you pets, please call and let me know and I'll share in the next Newsletter. I understand your dogs and cats may also be in line for this virus??

Stay well and hunker down. We will get through this also.

Virginia Carnes,
Mayor

THANK YOU!

Rocket Boosters would like to thank all of the volunteers that helped us out at our Rocket Invitational 2A Preview and at the District Tournament. Those were two more successful events that we could not have hosted without the time and effort devoted by those willing to volunteer. We cannot express our gratitude enough but please know that we appreciate it greatly! Because of the money raised from these events we are able to help our athletic programs along with many others that need it. Once again, thank you!
