The Mayor's Corner...

I would like to give a shout out to the two people we have in our police department. They are fantastic and totally dedicated to helping and protecting Pilot Rock. They constantly put in more than their share of time since we are still short an officer. I really appreciate all they do every day.

Our community is truly blessed to have both our Fire Department and Police Department that sacrifice so much to help our community.

Please join me to thank them the next time you see them.

Mayor
