CITY OF PILOT ROCK

The July 5, 2022, City Council meeting was cancelled.

The next City Council meeting is July 19, 2022, at 6pm with the following agenda:

- Ordinance 592 Occupied Recreational Vehicles
- Psilocybin Service Centers & the Manufacture of Psilocybin Products

This in-person meeting will be held in Council Chambers at 143 W Main, Pilot Rock. Phone conferencing is available by calling 774-267-2541.

We also have a listen only line 844-890-7777. If you would like to address City Council, contact the City Recorder at City Hall or email to teri.bacus@cityofpilotrock.org.

NON-PROFIT FUNDRAISING OPPORTUNITY

Are you a non-profit group looking for a fundraising opportunity? The Pilot Rock Downtown Association has upgraded the concession stand for rental and non-profit use. Generator & electrical systems were serviced and it's now in excellent working order. We have also added two large air fryers! If you are a non-profit group looking for a fundraiser, the DTA will allow you to use the concession stand for free. We are also looking for a group to run the concession stand during the Pilot Rock Harvest Festival on Saturday August 27, 2022. Contact City Hall at 541-443-2811.

The Mayor's Moment...

GOOD NEWS! By the first of August we will have both Dollar Stores open and running. Ray Bacus and I have finished painting the City building inside and out. Our next project is painting the gazebo in the Veteran's Park. It should be complete in the next few days. The State Highway Department is repairing the highway through town Right now! Yeah!

Randy Gawith,
Mayor

Are you ready for a super summer??

The Pilot Rock Library will have 2 great summer programs for 2022.

Read Beyond the Beaten Path is the theme and we will have prizes, incentives, storytime & crafts with an emphasize on outdoors/camping/nature.

NOTE: our summer reading and storytime has a new date and time. **Wednesdays at 10:00.**

We are also part of the Library Reading Road Trip which encourages local library users to visit other libraries in Umatilla County and collect brag tags and be entered into a drawing. *Every library will have a winner.*

The Pilot Rock Youth Football community is looking
for individuals that would like to join our team!!!!

We will be having a meeting on Monday July 25th
to talk about this coming season and appoint a
new secretary and treasure. The meeting will be
held at the football field at 6:30pm of this month.

The only way PR Youth Football will be able to
continue is having volunteers move into these
positions. In the coming years. Josh and Andrew
will also be stepping down as President and Vice
President and joint Head coaches to follow our
own kids sports and other career opportunities
that will leave little time devoted to PR Youth
Football.

Health

It's Hot Out!

Don't Leave Your Pet in the Car!

A car can overheat **even** when the window has been left cracked an inch or two.

Young, overweight or elderly animals, or those with short muzzles or thick or dark-colored coats are **most** at risk for overheating.

Shady spots offer **little** protection on hot days, and move with the sun.

90°

102°

120°

Even if the temperature outside is only 70°, the inside of your car may be as much as 20 degrees hotter!

On an 85° day, it only takes ten minutes for the inside of your car to reach 102°.

Within just 30 minutes, the car's interior can climb from 85° to a scorching 120°.

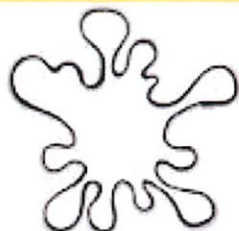

Many states and local governments have laws that prohibit leaving an animal unattended in a motor vehicle under dangerous conditions, which includes hot days. Your car could be damaged or you could be charged with a crime.

ASPCA

If you see an animal trapped in a car on a hot day, try to locate the owner or call 911! **Stay by the car until assistance arrives.**

Oobleck

Materials:

½ cup of cornstarch

¼ cup of water

a couple drops of food coloring

spoon or wooden stirrer

cup or bowl

Instructions:

1. Add the food coloring to your water.
2. Put the cornstarch in your cup or bowl.
3. Stir the colored water into your cornstarch.
4. Play with the oobleck! Let it drip off your fingers, but then watch as you can form a ball with it. Poke it hard with your finger, but then slowly let your finger sink into it.
5. Decide, could it be a solid or a liquid?
