Rural Renewable Energy Development Zone (RRED)

City Council approved the establishment of a Rural Renewable Energy Development Zone for a solar company that will be developing its project in the industrial area. RRED Zones offer an incentive to encourage new investments for developing solar energy, wind energy or geothermal pressure. A renewable resource is different from a nonrenewable resource. Nonrenewable resources are depleted and cannot be recovered once it is used. Renewable resources can be used repeatedly and does not run out because it is naturally replaced. It offers stable prices and a clean, continual source of energy that are much better for the environment and the community.
Are your house numbers visible from the street??
If not, emergency service may not be able to find you if you need them.

To better serve you, The Pilot Rock Police Department would like you to call Dispatch @ 541-966-3651 for non-emergency police business, Not City Hall.
As we get closer to Thanksgiving please remember all that we have to be thankful for!

I’m sitting here in an overflowing parking lot in the Tri-Cities after a doctor’s appointment, watching traffic go by, and you have no idea how grateful I am not to live here!! The traffic is unreal, and we probably drove around the Costco parking lot for 10 minutes before finding a parking place. And it’s only 2pm! All went well with the appointment with the Cardiac specialist and I can quit taking a very, very expensive medication and I am grateful for that also.

Count your blessings that we live in a warm, close community that always responds when needed.

We should all keep a gratitude journal on a daily basis and just put down 2 to 5 items per day down. You’ll see how quickly they add up.

Please remember to attend the Thanksgiving dinner being held on Thursday November 28th @ the Community Center from Noon until 4pm. All proceeds will go to the Pilot Rock Food Pantry, you can donate cash, food items or helping hands in putting this meal together the dinner is chaired by Sheila Buckley and any / all help is appreciated. Thanks go to the Pilot Rock Community Center board for donating the use of the Community Center for the Thanksgiving dinner!! You are awesome!!

Also, if you want a community calendar for 2020 please contact Andy Sells or myself. All local calendars may be picked up @ City Hall before Christmas, date to be announced later for pickup.

Also, please remember the Christmas Bazar on Saturday, December 7th, and the light parade/chili feed on Sunday December 15th @ 6pm. We will have lots of hot dogs, chili, hot chocolate and brownies, all to be held in Council chambers immediately following the Parade.

Ok I guess Id better get back to counting cars in front of Costco as my driver today (Teresa Goad) is kind enough to do some shopping for me :O) and that’s something else to be grateful for, kind, helpful friends available when needed.

Do have a blessed Thanksgiving!

Virginia Carnes,
Mayor

Thanksgiving Community Dinner

Beware of the Toilet...

The PRHS Leadership class is starting its annual Toys-for-Rockets Fundraiser! The fundraiser will be Nov. 13 - Dec. 17. If you see the extraordinary lawn ornament in your yard it will remain there until the ransom has been paid. To have it removed, you must place a donation in the envelope or bring it to the high school office. The generous donations that you give will be put to good use...we promise! The money we receive will be used to buy gifts for families in this community that are in need during this holiday season. Please help us make their Christmas special!! The toilet will be removed during 7th period (2:50 - 3:45) everyday as long as we receive a phone call that the ransom has been paid! Contact the PRHS Office or Leadership Class when ready for removal! 541-443-2671
